CU London (Dagenham and Greenwich) Campus Officer

2026~~/27~~

Your Students' Union

Role description:

This role is responsible for gathering the views of students at CU London campuses and representing them to the university. They act as the primary spokesperson for all students at their campuses, at every level with the university, Students' Union and wider community to ensure that everyone is represented and has the opportunity to shape their university experience. The CU London (Dagenham and Greenwich) Campus Officer will also contribute to the development of a student community at their campuses through representation, campaigns and events.

The role is self-directed in a number of areas and will require individuals who are self-motivated starters to be successful. This will mostly be through representing students at the campuses, campaigning on specific issues, running activities or events and talking to students to gather feedback. It is a unique and valuable experience that requires commitment and drive. Beyond a few core meetings you must attend, you get to decide how to focus your time as an Officer representing students and completing your manifesto.

An ideal candidate will be a self-starter, driven and passionate about creating change for students and representing the views of students at their campus. This includes building relationships and managing stakeholders to be as effective as possible. This role is only open to students studying at one of the campuses they will represent: CU London Dagenham or CU London Greenwich.

Skills you will develop:

- Project planning
- Communication skills
- Networking and negotiating
- Organisation
- Time management
- Campaign management
- Presentation skills
- Public speaking
- Effective use of social media
- Assertiveness
- Being a representative
- Leading a team of volunteers
- Working as a team
- Working independently
- Data collection

How to apply:

The role is open to students currently studying at CU London (Dagenham or Greenwich). If you are a current student midway through your course, you are still able to apply for the role and work alongside your studies. However, you must be a fully enrolled student for the entirety of the elected term of office that you are running for to be eligible, and maintain that status throughout.
