

A204CSU - STUDENTS' UNION WORK EXPERIENCE: PROJECT PLACEMENT

MODULE SUMMARY

The module will engage participants in a range of tasks and activities in the Students' Union. It will enable participants to have an understanding of Coventry University Students' Union (CUSU), its services and the impact it has on students' lives. Students will be taking part in 30 hours of activity/ project work set by CUSU. Student-led projects will also be considered. These projects will be in a number of areas including student representation, volunteering, advice, democracy, campaigns, commercial services, student media, sport, societies and other areas of Union life.
