

A304CSU - STUDENTS' UNION WORK EXPERIENCE: PROJECT PLACEMENT

MODULE SUMMARY

The module will engage participants in a range of tasks and activities in the Students' Union. It will enable participants to have an understanding of Coventry University Students' Union (CUSU), its services and the impact it has on student experience. Students will be taking part in 30 hours of activity/ project work set by CUSU. Student-led projects will also be considered. These projects can be in a number of areas including student representation, volunteering, advice, democracy, campaigns, commercial services, student media, sport, societies and other areas of Union life.

ENTRY REQUIREMENTS

This module is open to Level 3 students studying any course. This module is subject to completion of an initial application process.

SKILL BUILDER

A304CSU - STUDENTS' UNION WORK EXPERIENCE: PROJECT PLACEMENT

TESTIMONY

The module is interesting and it's great to gain some practical experience while working on the placements. It is well structured, provides the chance to engage with the SU, whilst gaining personal experience for future employability. Staff are available to assist in every unexpected situation, great guidance and well organised.
